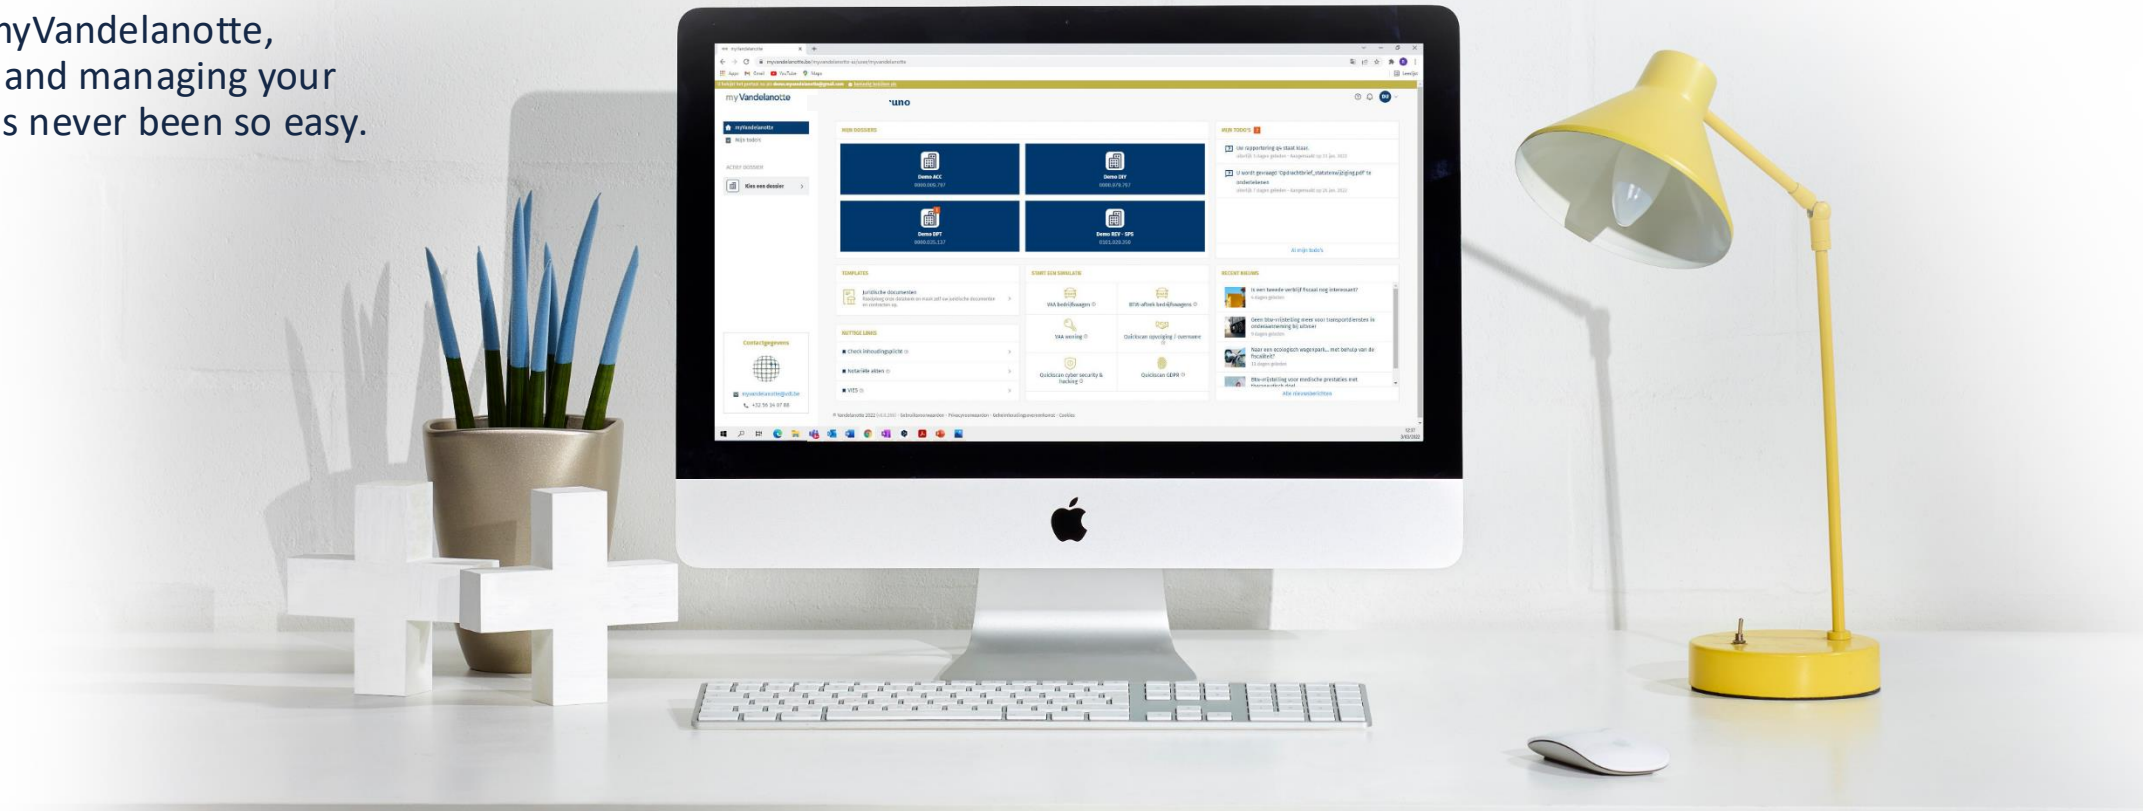
myVandelanotte

Your company's digital cockpit!

Thanks to myVandelanotte, monitoring and managing your business has never been so easy.



myVandelanotte - Your company's digital cockpit!

Use **digital accounting** and do away with all those piles of paper.

Access **interactive reports** about your company.

Meet our **digital lawyer**: have draft contracts or contracts reviewed and draw up contracts yourself with AI.

Online archive: all final documents we prepare for you are stored here.

Process and review employee payroll records whenever you want, update your leave planner, etc.

Stay up to date on any interesting **legislative changes and the latest news**, invite others to collaborate and **much more**!
